 OVERVIEW

Data Scope & Methodology

Comprehensive analysis across 17 IPL seasons examining team performance, batting milestones, and match dynamics.

Dataset Overview & Processing

Matches Dataset

Volume: 1,095 unique IPL matches analyzed spanning from 2008 to 2024.

Attributes: 20 feature columns including season, venue, teams, toss decisions, winner, margin, and match umpires.

Quality Control: Datetime conversions applied and missing venue & result attributes handled.

Deliveries Dataset

Volume: 260,920 ball-by-ball delivery records covering all innings.

Attributes: 17 detailed variables tracking batter, bowler, runs off bat, extras, dismissals, and fielders.

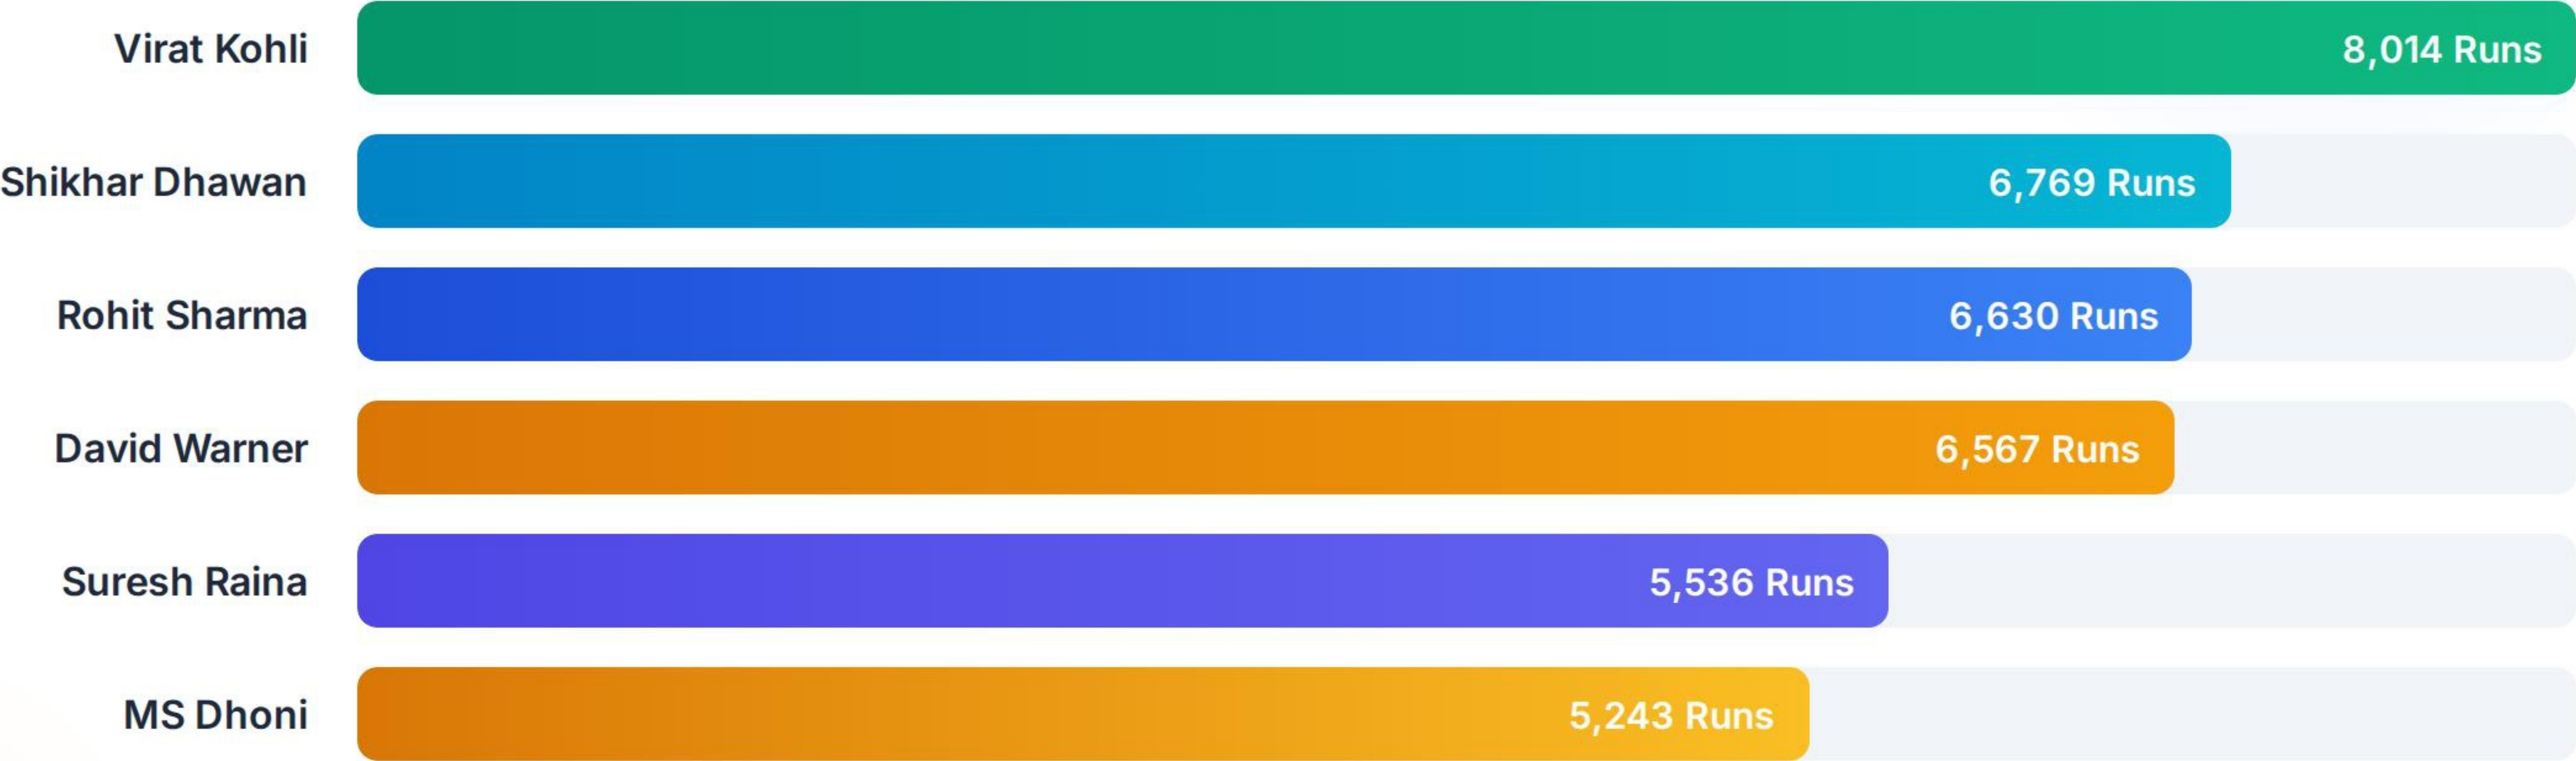

Validation: Verified zero duplicate records across primary delivery logs.

Most Successful IPL Franchises

Mumbai Indians and Chennai Super Kings dominate the league with 144 and 138 total victories respectively.

All-Time Leading IPL Run Scorers

Virat Kohli stands alone as the highest run scorer in IPL history, crossing the 8,000-run milestone.

Match-Winning Impact Leaders

25

Player of the Match Awards

AB de Villiers

Individual Match Winners

Player of the Match awards recognize players who deliver high-impact, single-handed match-winning performances.

Top Award Leaders:

- **AB de Villiers:** 25 Awards (Most in IPL)
- **Chris Gayle:** 22 Awards
- **Rohit Sharma:** 19 Awards
- **David Warner & Virat Kohli:** 18 Awards each

Bowling & Wicket Delivery Leaders

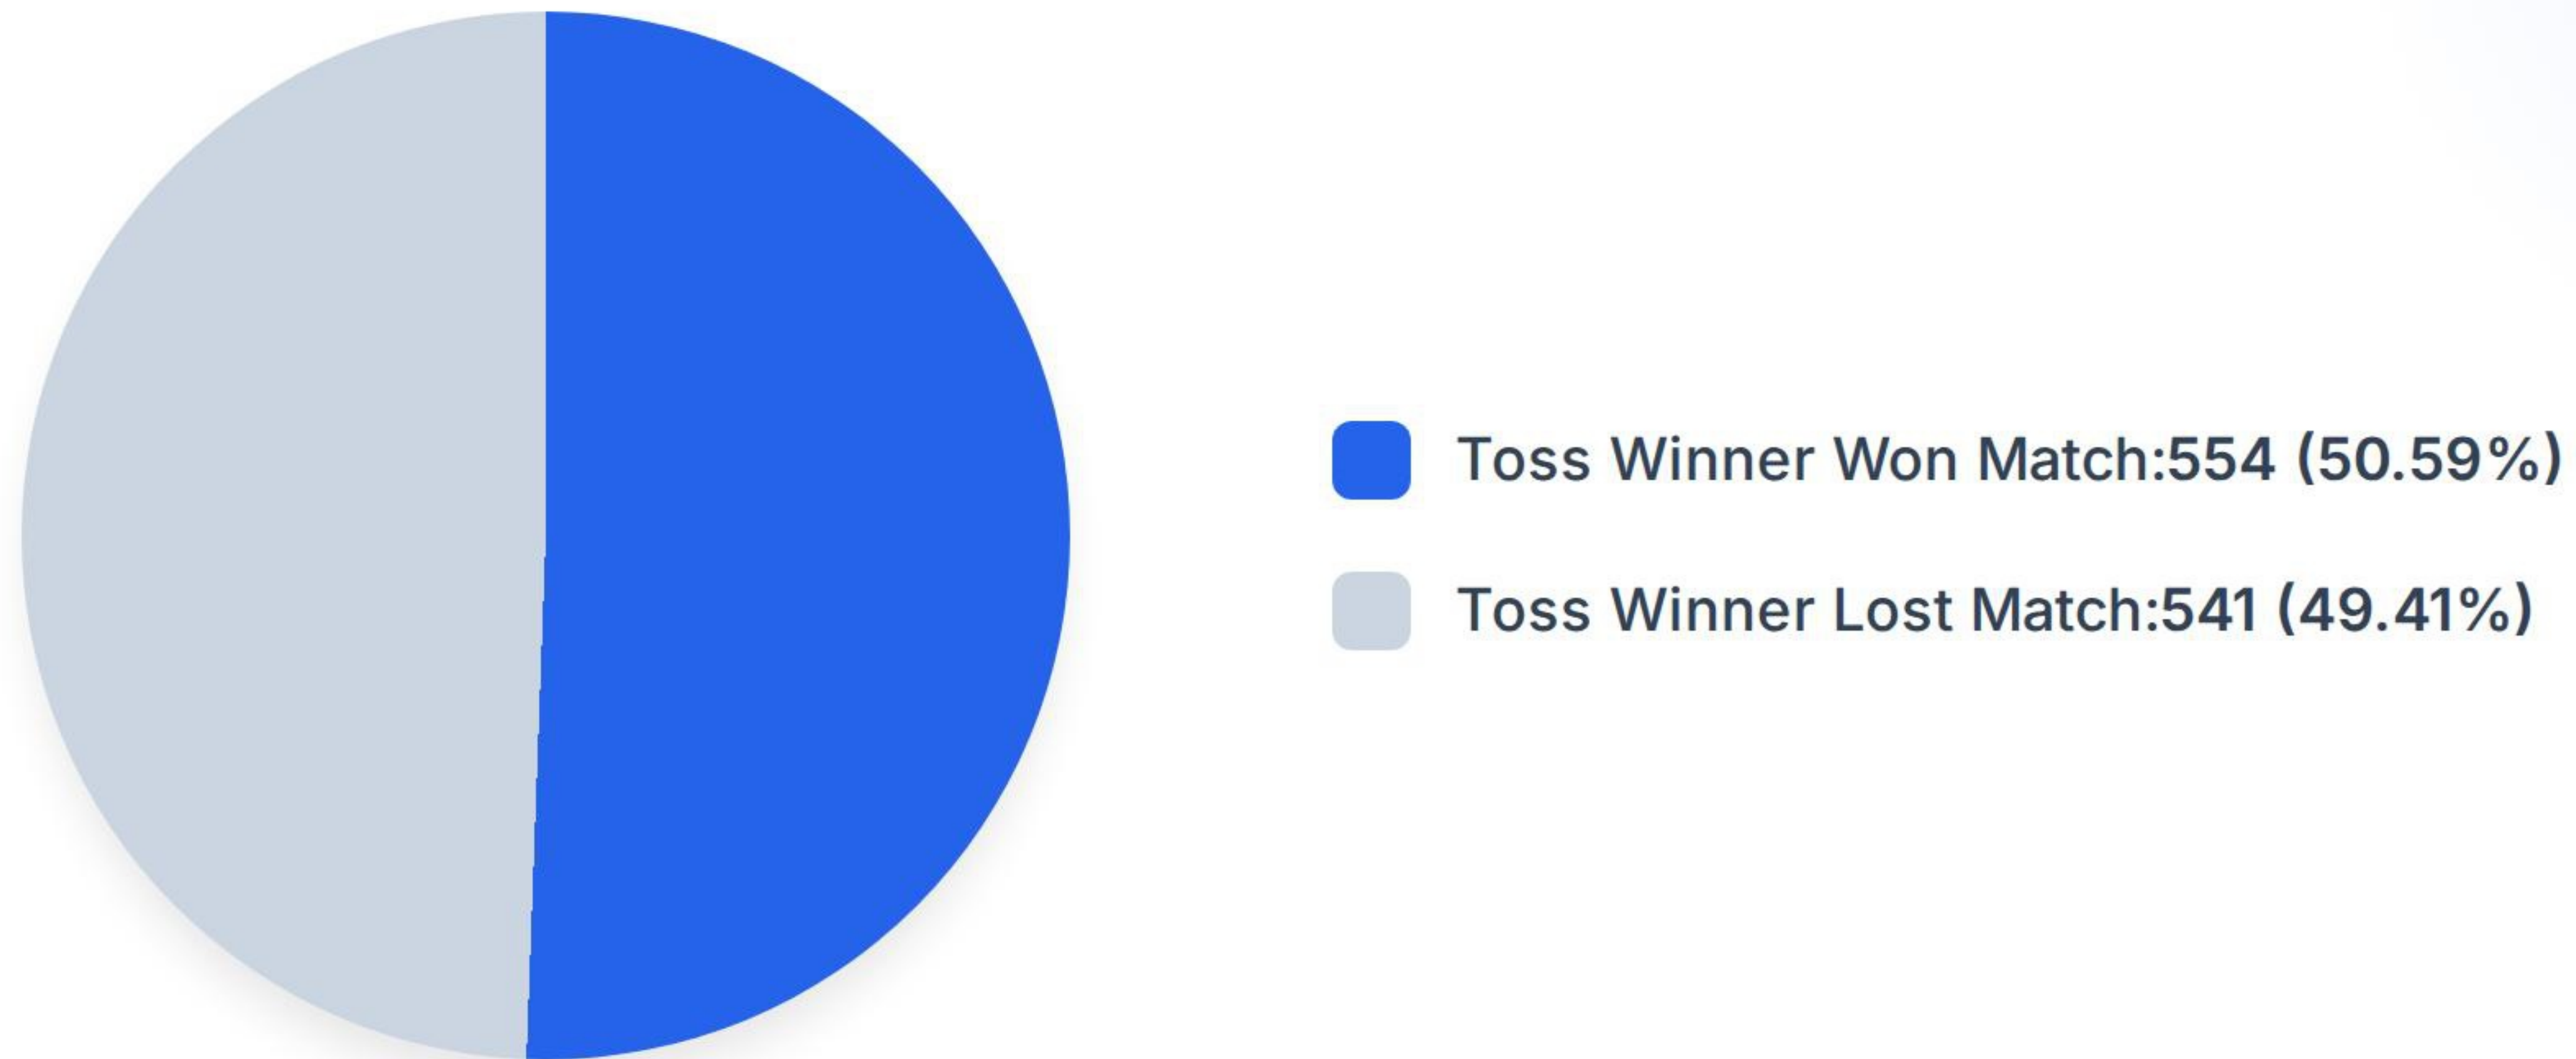

Top Bowlers & Workload

Bowling efficiency in IPL requires consistency across powerplays, middle overs, and death overs.

- ✓ **Ravichandran Ashwin:** 4,661 legal deliveries delivered (Leading workload).
- ✓ **Sunil Narine:** 4,126 deliveries with elite economy rates.
- ✓ **Bhuvneshwar Kumar:** 4,046 deliveries, top powerplay wicket taker.
- ✓ **Piyush Chawla & Ravindra Jadeja:** 3,886 deliveries each.

Toss Winner vs Match Winner Analysis

Winning the toss yields virtually no definitive advantage (nearly an exact 50/50 split), proving tactical match execution overrides toss outcomes.

Top IPL Venues by Matches Hosted

Stadium / Venue	City	Matches Hosted	Primary Franchise Base
Eden Gardens	Kolkata	77 Matches	Kolkata Knight Riders
Wankhede Stadium	Mumbai	73 Matches	Mumbai Indians
M. Chinnaswamy Stadium	Bengaluru	65 Matches	Royal Challengers Bengaluru
Feroz Shah Kotla (Arun Jaitley)	Delhi	60 Matches	Delhi Capitals
Rajiv Gandhi Intl. Stadium	Hyderabad	49 Matches	Sunrisers Hyderabad

IPL Expansion & Matches Per Season

The league expanded from 59 matches in 2008 to 76 in 2013, stabilizing at 74 matches following 10-team expansion in 2022.

Key Strategic Data Takeaways

Franchise Consistency

MI and CSK demonstrate superior campaign management, accounting for over 280 combined match victories.

Anchor Batting Value

Top run-scorers like Kohli and Dhawan combine high volume with decade-long longevity across franchise transitions.

Toss Neutrality

Data debunking the toss bias myth confirms team performance under pressure is the decisive factor.

Questions & Answers

Thank you for reviewing the IPL Data Analysis presentation.
